### ***Allowed and New Claims***

Applicants thank the Office for recognizing the allowable subject matter of claims 1-7. Applicants also present herewith new claims 25-31. New claims 25-31 are computer-readable medium format claims drawn to the subject matter of claims 1-7, and are believed to be commensurate in scope with the allowed claims 1-7. The new claims 25-31 are supported by the specification, e.g., by block 720, 740, 780 in Figure 4. Accordingly, no new matter has been added. Applicants respectfully submit that the new claims 25-31 should be allowed for at least the same reasons as claims 1-7.

### ***Interview Request***

If the claims are not found by the Examiner to be allowable, the Examiner is requested to call the undersigned attorney to set up an interview to discuss this application.

***Conclusion***

The claims in their present form should be allowable. Such action is respectfully requested.

Respectfully submitted,
